

VSE Company Overview

Established in 1959, VSE is a diversified sustainment and services company with experience in solving issues of global significance with integrity, agility, and value. VSE is dedicated to making our federal and commercial clients successful by delivering innovative solutions for ship, vehicle and aircraft sustainment, supply chain management, platform modernization, mission enhancement, program management, energy, IT, and consulting services.

VSE is a publicly traded (NASDAQ: VSEC), ISO 9001:2008-registered supply chain management and professional services company. VSE has provided more than \$2 billion in diversified engineering and technical support services to the U.S. Government. VSE's subsidiary, Wheeler Bros., Inc. received its seventh U.S. Postal Service Supplier Performance Award in 2014. VSE has been ranked among the top 100 defense contractors, top 10 foreign military sales contractors, and top 50 Navy contractors in the nation.
